

Privacy Policy

What is the KANSASWORKS mobile app?

The **KANSASWORKS** mobile app is a simple, free job search tool connected to **KANSASWORKS** job postings. It allows users to search for and save jobs of interest based on keyword, zip code, and radius. Jobs are pulled in real time from **KANSASWORKS**.

What Information Is Collected?

The mobile app does not collect personally identifiable information (PII). We collect mobile app usage information when you visit the app. This helps us assess how our app is used, such as the number and frequency of visitors to each page and the length of their visits. To provide driving directions to the nearest American Job Center, the app will use your geolocation coordinates. However, you control the app's access to this information. Also, an app error logging system will collect any error that occurs to help our technical staff resolve issues.

How Is This Information Used?

We use your usage information to improve your experience on our app. We do not disclose information about individual visits or share other private information with outside parties and will not use this data for any commercial purpose.

How Is Data Secured?

To protect the information that **KANSASWORKS** collects, we use transport layer security to ensure that data passed between the app and web services remains private.

Remember that you play a key role in security. When you leave the mobile app, remember that other websites, including **KANSASWORKS**, have their own privacy policies or data collection practices, which may be different from that of this mobile app. Review the privacy policies and data collection practices of those websites. If you send your information to an employer or recruiter, the **KANSASWORKS** mobile app is not responsible for the retention, use, or privacy practices of that employer or recruiter.

KANSASWORKS may update this policy for the mobile app from time to time. If we make major changes in the way we use or protect your personal information, we

will post a clear announcement in the app. If you have any questions about this policy, please email workforcesvcs@ks.gov.
