

# **KANSASWORKS Job Search Support**

## **Frequently Asked Questions**

### ***How do I apply for a job from this app?***

You must view the full job posting by clicking **Visit this job post** or **Visit Job**. You will be directed to [kansasworks.com](https://kansasworks.com), where you can sign up for an account; create, manage, and submit resumes; and connect with American Job Center staff for more job search support.

### ***What is an American Job Center?***

American Job Centers (or AJCs) provide free help to job seekers. They offer career counseling, resume and interview support, training and education information, and information on free federal and state services.

### ***Can I find a job in another state?***

This app primarily pulls jobs from Kansas and the immediately surrounding states.

### ***How can I post a job opening on this app?***

Employers can post job openings by creating an account at [kansasworks.com](https://kansasworks.com). After account approval, job postings will display both on the **KANSASWORKS** website and in the **KANSASWORKS** Job Search mobile app.

### ***Who can I contact with more questions?***
